A MESSAGE FROM OUR PRINCIPAL TO THE SENIORS

I congratulate you on your past attainments and wish you well in the continuance of your education on a higher level. This further education may be at a university, in industry, or through the experiences which come from other labor.

The purpose of life is to achieve fulfillment of the best one can realize. To do this we must be more self-reliant and must discover ourselves. We must have consecrated imaginations and ambitions.

The goal of young people should be the pursuit of excellence. We all recognize differences in ability. It is our responsibility to develop our individual talents to the greatest degree. Mediocre performances should not satisfy. Superiority should be the standard quality.

I hope that you have taken full advantage of the educational opportunities offered at Knox High School and that it serves to open more doors to advancement. Needless to say, we are proud of you and of our school. Our interest in you will follow wherever you travel.

I speak for myself and for the staff when I state that I wish you each the very best in life.

Mr. Laramore

When we come out of the rooms of KHS on a busy morning between classes, we see the halls teeming with action, filled almost to an overflow of teenagers.

We teenagers are the future homemakers, career women, farmers, business men, scientists, experts, and athletes of tomorrow who will make our contributions to the world in which we live. Each day at KHS brings new opportunities for us teenagers to make our lives successful by filling our minds with mental activity which will train us to solve future problems, by developing our ability to get along with others through organizations and activities, by making our minds and bodies healthy through good sports, by training us for our future vocations, and by giving us little incidents and big events that we will never quite forget. All these things give us a broader outlook on life and a well-rounded personality to aid us in our social lives. Why not come with us into KHS and see how . . .

WE BROADEN OUR HORIZONS

THINGS HAPPEN TO US

It seems that even the almighty Senior has plenty of trouble opening his locker on the first day of school!

Spending a pleasant lunch hour up town can really get a guy or gal involved!

"Hey, Fellows, keep your eyes on the game not on me!"

The halls swarm, class is over, and there's a mad rush for the next class, with enough time out for a quick snack at the milk machine, catching up on the latest, or working on that assignment that's due in five minutes. At first the sophomores are afraid of the upperclassmen, but soon things run smoothly. Then there are the special lyceum programs, fun at games, and those little things that happen which are always remembered as a part of KHS. All the good times at HKS stem from the warm friendly atmosphere of our school and gives us something to think about and enjoy.

Common sight on a hot day—the long line at the drinking fountain.

It's a lot of hard work—and fun too—getting ready for the play which everyone looks forward to.

ALL THE TIME

One of the highlights of the year—the Great Rubin-off and his violin.

Teachers talk more than we do—anyway when they have their coffee breaks!

Everyone enjoys the dances given after games and on other occasions.

"Don't you know that going under a ladder is bad luck?"

Of community-wide interest a panel discussion on the "Why of Teenage Behavior" was held in the auditorium. Panelists, Norm Berning, Sue Solliday, and Mary Folkers discuss an issue with Mr. Pulver of the community.

Jim sure looks proud of the honor he received on Honor Day.

HOMECOMING—OUR FIRST BIG THRILL...

The excitement started at the bonfire the night before we played our arch-enemy, North Judson. The next afternoon it mounted even higher as the Homecoming Parade moved from KHS to the town square with the band leading. Following were the lovely queen candidates, the football team, and our floats on which we had worked so hard. We students followed the parade; and led by our cheerleaders, yelled until our throats were raw. After speeches given by the coach, captains of the team, and others, we were dismissed.

At the half of the game 1958 queen Dorothy Clemons crowned Mary Folkers Homecoming Queen of 1959. The Junior float won 1st prize, the Freshmen won 2nd, the Eighth, 3rd, and the Seniors, 4th. Our enthusiasm fell a little when we lost the game, but all-in-all it was still a very good Homecoming.

Our hopes burned as bright as the bonfire that we built the night before the game.

It was a strange sight to see such well dressed young men waiting for . . .

. . . All those lovely girls who were in a flurry to get dressed for that long parade down Main Street.

OF THE SEASON

The long Homecoming Parade was followed by we students who were having a time cheering for our team . . .

. . . while our cheerleaders led us as they rode on the truck which ended the floats.

The town square was filled to the overflowing with us students and other loyal fans.

The band, which led the parade, played our school song and played for other cheers.

A speech by Lloyd Lenig of our football team predicted a victory, which unfortunately we did not gain.

Ten beautiful girls walked out before a large homecoming crowd. Everyone held his breath as Dorothy Clemons, 1958 homecoming queen, walked back and forth behind the girls—finally placing the crown on the head of our new queen, Mary Folkers.

The ten girls were chosen as candidates by various organizations. Mary, the senior class candidate, was elected queen by the student body.

BOY CAUSED UPROAR IN GIRLS' SCHOOL

MISTER CO-ED

When Lotus Smith invaded an Eastern women's college, a wave of consternation swept the campus, for Lotus Smith—despite the name—turned out to be a boy. This situation set the pace for a hilarious Junior play.

WHEN A MAN MARRIES, HIS TROUBLES BEGIN

This happened to a completely likeable, perfectly normal young bachelor who needed a wife in a terrific hurry to prove to his uncle that his monthly checks for the support of his non-existent bride had been justified. These circumstances established many laughable situations in the play put on by the Senior Class.

CHEERLEADERS HAVE SNAP, CRACKLE, AND PEP

Last spring cheerleading tryouts were held and the five girls elected were Sue Solliday, Donna Juracka, Carol Green, and Nancy Dowd. Our cheerleaders will readily admit that leading a student body isn't as easy as it looks. Long hours of hard practice are needed to get precision. However, cheerleading is fun!

Fifteen rahs to these hard working gals who strive to build the spirit of K.H.S.

NORMAN BERNING

By a vote of all the students in high school we elected Norman Bering as this year's president. Being chosen for this position is an honor and also a responsibility. The betterment of the school is the task of the student council and the president who presides over it.

Norman was a Boys' State Representative in his junior year, was on the varsity football team for two years, and played on the varsity basketball team for one year.

We wish to express our gratitude to Norman for his assistance and guidance in the past year.

I wish they wouldn't use such big words.

BILL BYER

Bill Byer won the Ben Bowen Award for the second time. Bill is the first athlete to win this award twice. Bill was an outstanding football player and made the All Conference First team and the Tribune All Indiana area team. He also played varsity basketball for two years and was on the track team four years.

We are proud of Bill as an athlete and as a good citizen of Knox High.

Bill studies while being a hall monitor.

Lloyd Lenig and Norm Berning were voted by the team as the most valuable players. Wilbur Ritchie was voted the most valuable back. Norm Berning was also voted the outstanding lineman.

OUR PROM QUEEN, SHIRLEY PITROWSKI

Shirley has been an active high school student. She is particularly interested in Home Ec and has been a member of the F.H.A. for the past three years and served as treasurer this year. She has served her class on the student council for two years and was an attendant to the homecoming queen in both her Junior and Senior years. Shirley with her friendly smile has made many friends at K. H. S., and we were proud to have her as our Prom Queen.

Loafing on the job, Shirley?

MR. AND MISS KNOX HIGH SCHOOL

NORMAN BERNING

MARY FOLKERS

Norm and Mary were chosen as Mr. and Miss K.H.S. by the entire high school from candidates presented by the senior class. Both have been outstanding citizens of our school. Norm was president of the student body, boys' state representative, and a varsity basketball and football player. Mary was homecoming queen, D.A.R. good citizen, F.F.A. Chapter Sweetheart, and editor of the Smoke Signals. We feel that both are very good representatives of our school.

MR. AND MISS KNOX JUNIOR HIGH SCHOOL

TON SALYERS

PAT CHRISTIAN

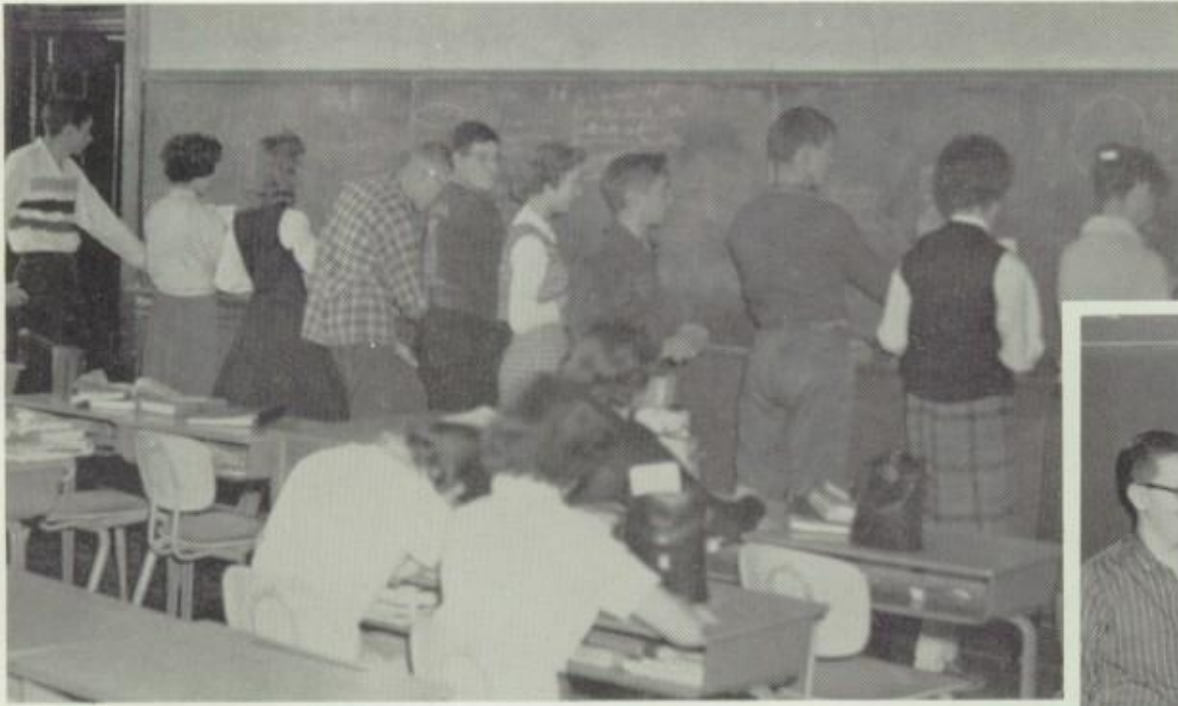

Ton and Pat were chosen as Mr. and Miss Knox Junior High School by all the students in the Junior High. Ton was president of the student council, played freshman basketball, and was on student patrol for three years. Pat, a newcomer this year, was a cheerleader. We are proud of these students and hope they continue to excel in high school.

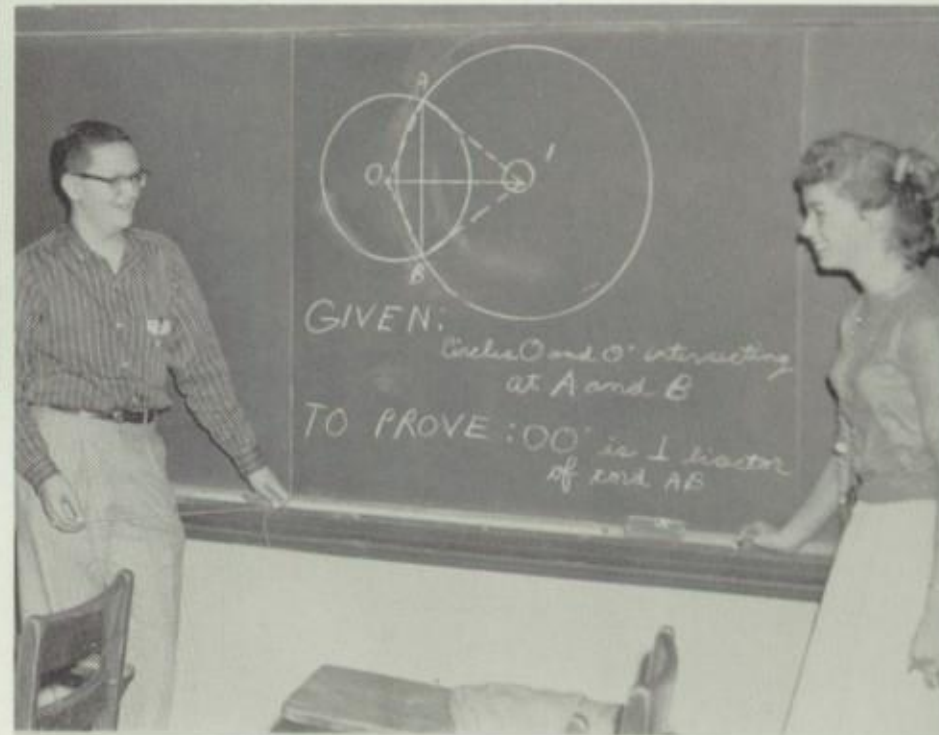

We come to K.H.S. to learn and know how to use what we learn. A typical day at K.H.S. begins with the first warning bell. Locker doors slam shut, there's that last hurried word to our best friends, and then we rush down the hall for our first period class. This is the start of a busy day of classes, study halls, pop quizzes, tests, dissecting frogs, breaking the last test tube, sitting on hard seats, and other things which make a typical day at K.H.S. These are all the memories we will take with us when we finish our high school education and then further our education or start immediately working on the job. We will then profit from "burning the midnight oil" in high school. Here we show how

WE DEVELOP OUR FIELDS OF KNOWLEDGE

Working problems on the board is putting to good use what is learned in class.

MATH AND SCIENCE WE USE THEM MORE AND MORE

Mike gives Donna a chance to prove her geometry skill.

As the new demand in this atomic age for more and better Math and Science experts increases, more students than ever have enrolled in this field of courses. Starting with the basic fundamentals and progressing to higher, more specialized courses, our students are eager to contribute their share to posterity—making good citizens, teachers, scientists, and mathematics experts.

This year several new courses have been added to the Math and Science curriculum. Next year we hope to have TV courses in some of the more specialized classes.

Marsha looks on wondering what reaction will take place.

Mr. Baker, with the help of Bob and Mildred, demonstrates the use of the Bioscope in a Biology exercise.

ENGLISH AND LANGUAGE— NOW WE SAY IT . . .

. . . and write and read it too. Our English teachers are fully prepared to do their best in teaching us to use the English language effectively.

Besides spelling, reading, and writing as basic skills, we learn to use these skills in composing themes, acting out literary plays, and giving book reports.

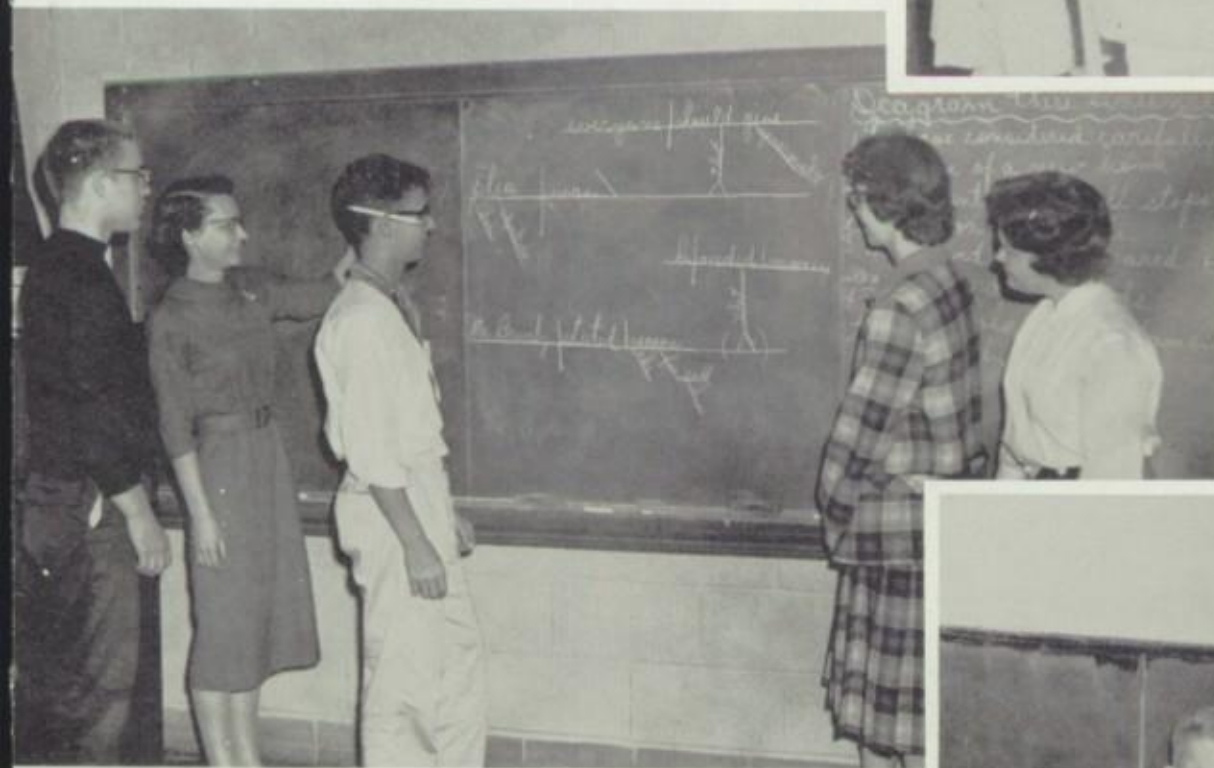

With all the Latin which our English language contains it is a valuable aid in recognizing word meanings to study Latin. It is also valuable in that it trains the mind to organize its thoughts.

Molly is giving a book report in the regular session held in this English Class for Book reports every Friday. Skits, and other dramatics are also given.

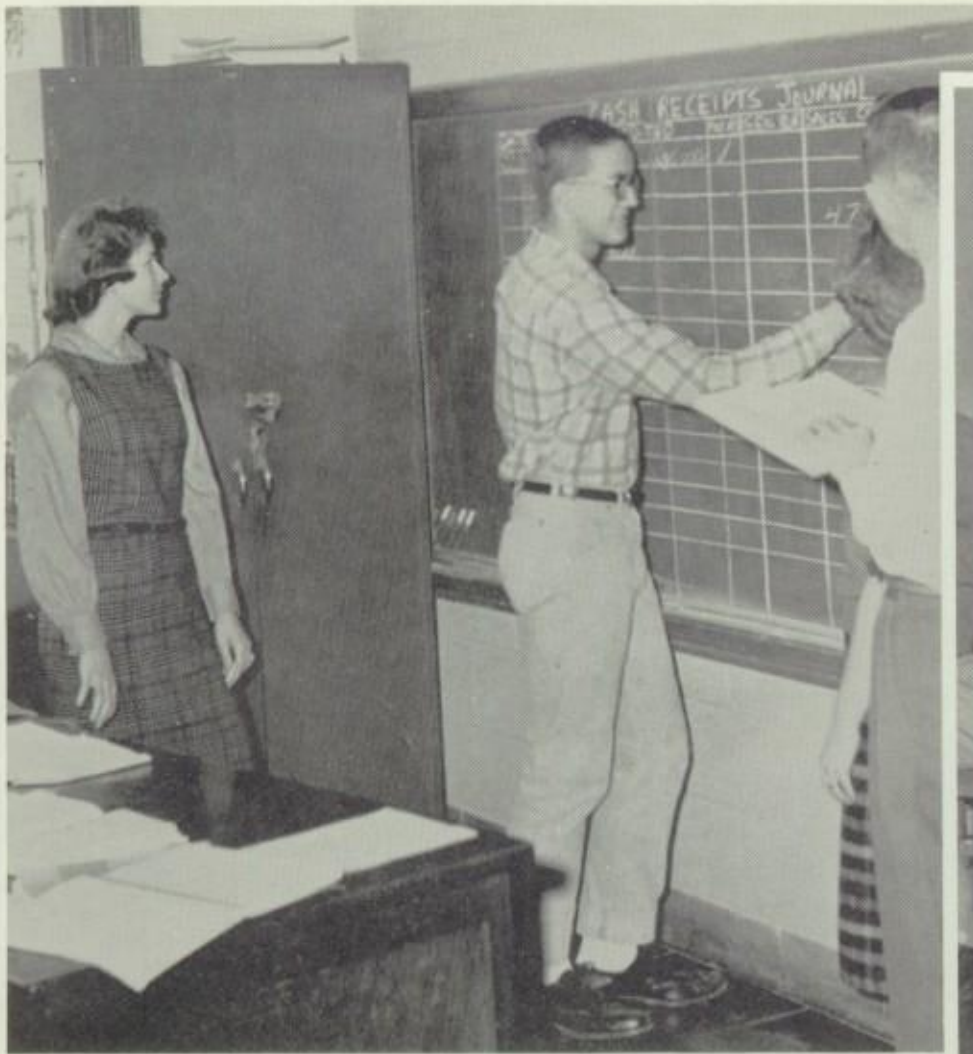

A must for any English class—acting out plays from a literature book.

Mrs. Lucas is approving these sentences which were diagrammed to show sentence structure.

Bill and Marilyn decline a Latin noun on the board.

As Mr. McCurdy dictates, Bob is filling an example of a cash receipts page while Donna and Ruth Ann watch.

Miss VanDine teaches Buddy, Ray, and Helen the use of the typewriter and its mechanisms.

Bob, Amy, and Sheila check with their shorthand notes to make sure their shorthand has been written properly.

Mr. McCurdy explains the benefits of a life insurance policy to Ton, Gaye, and Roy.

THE COMMERCIAL WORLD WE LIVE IN . . .

. . . starts with the business training received in high school. Commercial education is the best curriculum for any student who plans on entering any business field. Future secretaries, bookkeepers, bankers, accountants, and others received adequate training for some of these jobs in high school and may obtain higher education and training for the more specialized ones. Also these courses give us practical experience in planning a family budget later in life, skill in typing both personal and business letters, and knowledge in tax forms, insurance, and other common place things in life.

In Psychology we study the reason why we do things as we do.

WE LEARN OF THE PAST AND THE PRESENT

... and can better prepare for the future. In social studies we learn of man's behavior in the past, the geography of the earth's surface, how our government and economic system is run, why we think and act as we do, and how to have successful family relations. Through all these things we can plan for a better future in social, economic, and political life as well as learning about the earth and the peoples of the earth.

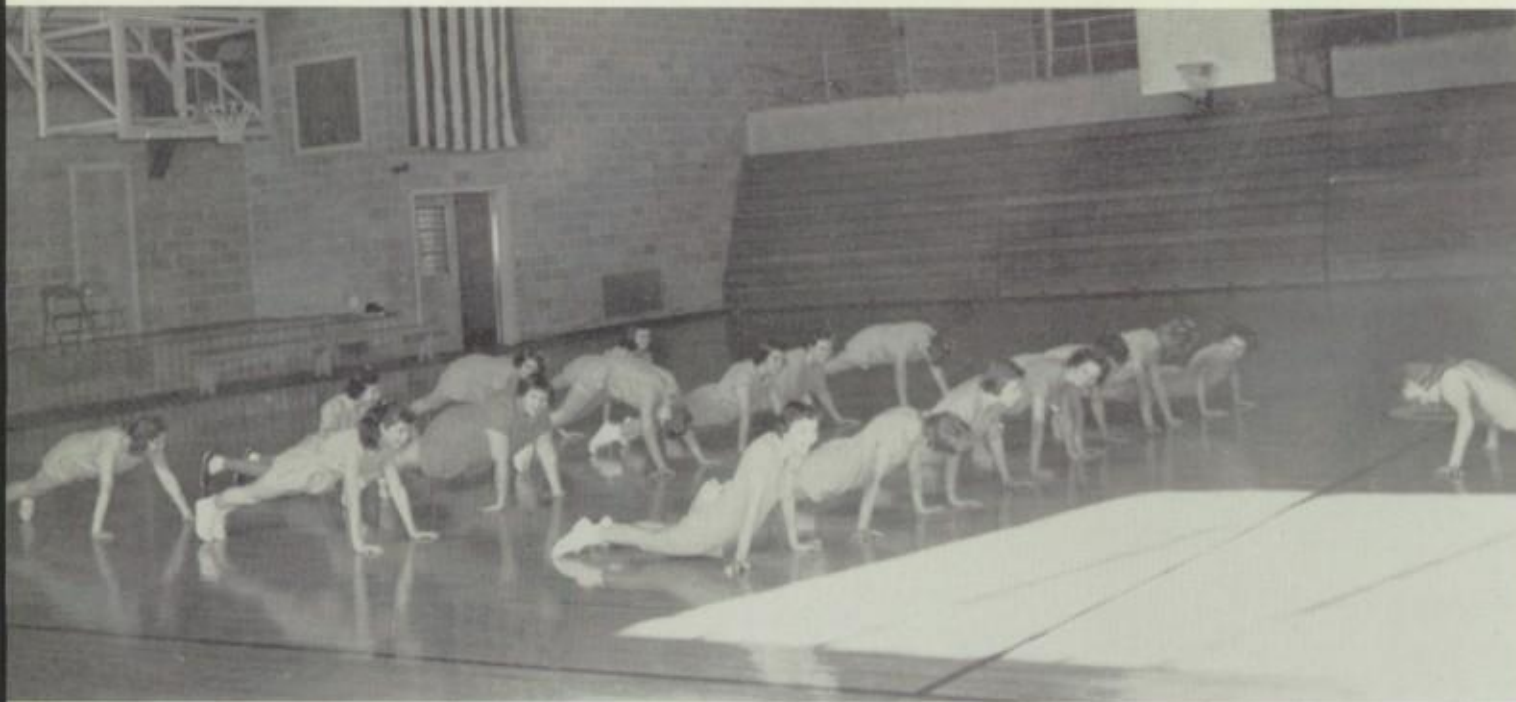

Bob points out a spot on the map which Roger is reporting on.

Bill, Joan, Keith, and Ruth show masterpieces of art by great painters about whom they study in World History.

Danny, Tom, and Ron point out the location of Knox on the map and discuss it concerning U.S. History.

WE BUILD SKILLS
AND USE THEM
EVERY DAY

These girls are showing the right and the wrong way to do push-ups.

Learning how to take apart motors and put them back together is one of the interesting things about Ag.

In our modern age it is almost imperative that every person should learn to do the things which he uses every day.

Where can any girl who contemplates marriage or a career learn cooking, sewing, and housekeeping better than in a home economics class?

Good exercise in Gym gives us recreational skill besides making us healthy.

The safe and courteous driver is one who has had the best training by being in a driver education class.

To take good care of livestock and machinery every boy who wants to be a farmer should include agriculture in his curriculum. Each and every one of these skills help us to have a safe, happy, and versatile life.

Safe and skillful driving is a must in our present automotive age. John, Shelba, and Mike get into the car on the proper side.

Mrs. Miller demonstrates the correct and attractive way to set a table for a special occasion while Marilyn, Pat and Stella look on.

WE ENJOY WHAT WE CREATE . . .

. . . Whether it be music, art, or useful articles. At KHS we have many opportunities to discover in what fields our talents lie and thereby know what our avocations—and vocations—will be. Some of us participate simply for the enjoyment we receive; others, because we have definite jobs in mind. But whether it be for recreation or a definite goal, we and others we meet enjoy what we create.

Chorus brings out voice talent. Mr. VanCleave directs the chorus here on the day before the Christmas program.

Cedar chests are just some of the beautiful carpentry work of this shop class.

Sue, Jerry, and Fred show their art talent in these pictures they have worked on.

Mr. Alleman directs our band which has won First in the state many times.

Organization in action!

In our ever-changing world there are more and more people who have a great amount of leisure time. Various activities at K.H.S. give us good training in how to use our excess time wisely. Learning to meet people and make friends—so important in our social lives as well as in developing our personalities—is a major function of activities. Besides having fun, we are proud to render services to K.H.S. In reality we broaden our horizons when . . .

THE SECRET OF SUCCESS IS TEAMWORK

The cheerblock is one of our more active and important school organizations. With the help of the cheerleaders they cheer the teams to victory.

By several activities which we have sponsored such as the annual Sadie Hawkins dance, the bake sale, and the contribution of \$100 from the Annual, we have been able to purchase red sweaters and berets. These have made the cheerblock more colorful.

This year will be the first time the cheerblock will give letters to those Seniors who have participated in it for four years.

KNOX PATROL GUIDES

Leigh Shanks, Lieutenant; Mr. Cira, Sponsor; Jerry Carpenter, Captain

Our student patrol is made of seventy-five boys from the seventh, eighth, and ninth grades. It is headed by Jerry Carpenter, Captain; Leigh Shanks, Lieutenant; and Mr. Cira, sponsor. The patrol is divided into five squads. The squad leaders are Bill Heilman, Dennis Schultz, Gary Lockridge, Ralph Fuller, and Tom Mulligan.

This fall the Knox J.C.'s gave us two blinkers to be used on Main street during school hours. The state also gave us signs to use on the highway while a patrol boy is on duty.

In the spring we went on a picnic to the Indiana State Dunes. We had a lot of fun running around the beach and eating.

WE, THE ANNUAL STAFF,
spent many hours of fun in bringing you this annual. However, we also spent many hours of hard work. We hope in future years when you read this annual that it will recall many happy events to you.

Lela Caudill, our editor, was very helpful in giving us information about the annual. Here she is featured giving aid to the newcomers, Cressia King, Kermitt Bridegroom, and Gail Nichols.

Mrs. Hite, who was very helpful to the editorial staff, also gave aid to the business staff. Here she is pictured helping Business Manager, Larry Salyer, and his assistant, Keith Pryce.

One of the busiest members of the annual staff was photographer, Jerry Shanks. However, he was given much aid by his two assistants, Robert Howes, and Bill Brown.

JUNIOR HIGH OFFICERS

The twenty-two high school student librarians and the twenty-seven junior high student librarians have helped us all this year when we have used the wonderful facilities of the libraries.

Under the direction of Miss Curnutt, who supervises both the fictional and reference libraries, the students process and repair books, distribute films and magazines, and keep record books.

We all have gained knowledge and enjoyment through books this year and appreciate the work of the librarians.

is restricted to the members of the speech class, which is under the direction of Mrs. Hite.

We have a meeting every Friday during our regular class period. After our business meeting different students present a program for the enjoyment of the others.

We presented a lyceum program for the school this spring. During the year we sponsored a sock hop after a football game and later in the spring we sponsored a dance and floor show.

We went to Chicago later this spring and saw a stage play; this was the end of outside activities.

We've all enjoyed participating in Shakespearean Club very much. We aren't all going to become great dramatic actors, but we have learned to express ourselves in conversation and in our actions better.

This year has been a very successful one for the Knox High chapter of the Future Homemakers of America. In keeping up the high ideals of the organization—to promote appreciation of the joys and satisfaction of home-making; to live for the good of the home and family life; to emphasize worthy home membership; and to promote democracy in the home community; and to create international good will, leadership, wholesome recreation, and an interest in home economics—we have carried on many worth-while projects during the year.

PREPARE FOR THE FUTURE

What? Eat our own food? Are you kidding?

Sandra McMullen, Thelma Pitts, Jeannie Eggers, Judy Burger, and Ruby Hanselman gain inspiration from the F.H.A. emblem.

No one enjoys initiation like the old members.

At last we were true F.H.A.'ers.

The last of October our membership was increased to sixty-five with the informal initiation of thirty-five new members. November 12, we entertained our mothers at the formal initiation. At Christmas we decorated the school, the Starke Memorial Hospital, and Ruff's Nursing Home and also sang carols to the bedridden. We especially enjoyed the dinner to which we treated the basketball boys. The dance we sponsored after the North Judson game was one of the best attended during the year. The Sweetheart Dance too was enjoyed by those who attended.

We owe much of the year's success to Mrs. Milner, our new sponsor. Without her leadership and good judgment, we could have accomplished little.

What would we do without Mrs. Milner?

We all enjoyed Mrs. Jonas's talk at initiation.

FUTURE FARMERS SPEND MANY HOURS LEARNING

This year's Knox Chapter of F.F.A. has participated in many activities and farm enterprises. We operate two chapter farms and sell garden seeds as our main money making enterprises.

This year the chapter enjoyed picnics, a swimming party, basketball and softball tournaments among the four agriculture classes, roller skating party and many other recreational activities that were held once each month.

In January we entered seven soloists and two ensembles in the District Vocal Solo and Ensemble Contest at Goshen.

The Chorus members took turns selling refreshments at the dances sponsored by the Knox Police. We presented a program for Kiwanis and sponsored a Valentine's dance after the Monon game.

The G.A.A. Jr. members are seventh and eighth grade girls who meet Thursday afternoons in the junior high gym for an hour of active recreation under the supervision of Mrs. Harrington, our sponsor. Throughout the year we have participated in dancing, deck tennis, basketball, volleyball, kick ball, and other social games. In October the eighth grade girls enjoyed the initiation of thirty new seventh graders. Other highlights of the year were the skating party and bowling.

We all had fun at initiation.

The marching band in the Knox High School is organized in the fall of each year and carries out an active program during the season. Snappy marches, school songs, pop tunes, and novelty formations and dance steps are presented to the crowds in the stands just before the opening whistle and between the halves of home football games.

This August the band again performed at the annual Mardi-Gras at Riverview Amusement Park in Chicago.

On February 6, we had many entries in the District Solo and Ensemble Contest, with many of the entries qualifying for the state contest.

The band traveled to Flat Rock, Michigan, and Waterloo, Ontario, on March 4 and 5 to perform for the Canadian Bandmasters' Association.

On April 2, the band went to the District Band Contest.

Our guest soloist for our spring concert was Rafael Mendez, the world's greatest trumpet player. The concert took place on May 6.

Our K-Club this year consists of thirty-eight members who have won a varsity K in a major sport. We have nine winners of the varsity jackets. They are Oris Fine, Howard Keller, Don Pinson, Ron Mlekodaj, Rodney Sanders, Lloyd Lenig, Terry Thompson, Lonny Bolen, and Norm Berning.

This year we sponsored a dance in order to make more money.

The K-Club is sponsored by Dale Snelling.

An organization, the James Tucker Memorial Group, erected this football scoreboard (with donations from the community) in memory of Mr. Tucker, who always had an ardent interest in all sports.

At KHS Sports bring out school spirit, sportsmanship, and teamwork which bring us all closer together.

We begin our sports year with football, our roughest, toughest sports; next we go into cross country, which builds endurance; basketball, our winter sport, gives us thrills we long remember; we end our sports year with track, concerned mainly with developing skill and speed in running and jumping.

Whether we win or lose, we have the satisfaction of playing fairly when and where . . .

The Knox Redskins started the 1959 season with a young and inexperienced squad. We played our first game on our own gridiron with Nappanee. We were defeated 40-0.

In our second game we came to life! We traveled to Morrocco to edge them out 18-12.

On the following Friday our fighting Redskins were snowed under 40-7 by Monticello.

After being hurt deeply by defeat, we traveled over a hundred miles to Clinton Central and beat them 13-7.

Going into the fifth game of the season we had a 2-2 record. Washington Clay beat us 24-6.

It was homecoming again and we played New Carlisle. The night was perfect, the queens were beautiful, and the floats were clever. Everything was perfect but the score of the game—27-0 in favor of New Carlisle.

In our next game we were shut out by Jimtown 27-0.

North Judson! There was a great air of excitement before this game because we were to meet our old rivals, the North Judson Blue Jays. As those haughty Blue Jays strutted onto our gridiron, they were favored to win 40-0. But our Redskins don't listen to the odds—we tied the Blue Jays 13-13.

As the Redskins went onto the field at Bremen we had a 2-6-1 record. Bremen won the game 13-0.

We finished the season with a 2-7-1 record; however we hope and sincerely believe we will do much better next year after one more year's experience.

SECTIONAL CHAMPS OF 1960

Our fighting Redskins climaxed a winning season record by taking the sectional tournament. We did it the hard way by defeating the best teams in the tournament—San Pierre, Winamac, Monterey, and the sectional favorites, North Judson. What a glorious feeling it was when the final gun went off that Saturday night and we were the champions! We will never forget Bolen's sneaking in for another basket (68 points altogether), Wunder's consistent shooting, Fletcher's getting Winamac upset with his repeated baskets, Mlekodaj's fine rebounding and tip-ins, Fine's good relief work, that thrilling last shot of George's which defeated North Judson, the pandemonium that broke loose, the excellent play of all the substitutes, the screaming support of the cheerblocks, the red and white sea of waving shakers, the cutting down of the nets, Besson's smiling face, and the chant—Logansport, here we come!

All in all—it was a wonderful and exciting season. What a wonderful feeling it is to be winners!

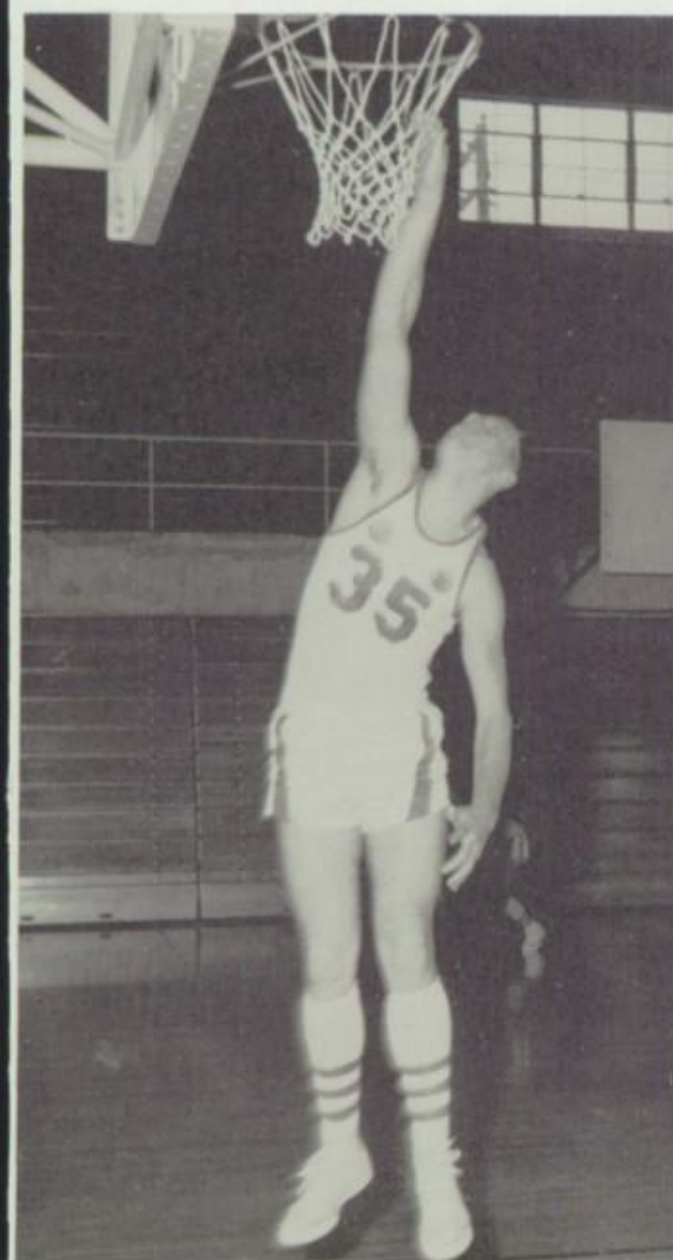

(We go to press as we are preparing to go to the regional to play Logansport in the first game.)

TRACK SEASON HIGHLIGHTED

Folkers and George do some high jumping.

Fletcher breaks 220.

Byers takes a low one.

Managers Terry and Larry.

Coach Snelling

Our Redskins had a good season this year winning 4 meets and losing 4, placing 4th in the Rensselaer Relays and 4th in the Northern State Conference Relays.

The season was highlighted when Ron Fletcher broke the record for the 220 yd. dash in a meet against Plymouth. He ran it in 23.5 breaking the previous record 24.0.

This was Mr. Snelling's first year coaching track, and he says that the team will do better in the future.

The Junior High track team had an excellent season this year as it has had nearly every one in the past. They were undefeated this year; they never lost a dual meet and they placed 2nd in two meets with 14 and 15 schools participating. Hats off to the coach, Mr. Young, who has done a fine job over the past years.

We are the real spirit of KHS. We scurry through the halls, we make friends and renew old friendships, we have fun working and planning in activities, we participate in sports or do our very best to support them, we teach and we learn. We are the people of KHS—the people who are building for a future. Maybe you don't know all of us students and teachers so turn this page and come with us while . . .

WE MEET PEOPLE

KNOX ADMINISTRATIVE STAFF WORKS FOR BETTER SCHOOLS

Mr. Hamblin, Jr. High School Principal; Mr. Laramore, High School Principal; Mr. Harbison, Superintendent.

Hester Bickel
Mr. Hamblin's
Secretary

Nancy Dembowski
Mr. Harbison's
Secretary

Bonnie Taylor
Mr. Laramore's
Secretary

We students are very grateful to our fine superintendent and school board members for working so hard to improve our schools and keep them on a high level. We are also very appreciative of the fine guidance given us by our popular principals.

Mr. Beville, Treasurer; Mr. Myers, Secretary; Mr. Polen, President

JULIA HITE
English, Latin, Speech . . . DePauw University,
A.B. . . . Shakespearean Club, Cheer Block, An-
nual, Cheerleaders, Sophomore Class Sponsor.

MARTHA AMOS
English . . . Indiana State Teachers College, A.B.
. . . Senior Class Sponsor.

OUR ENGLISH TEACHERS . . .

. . . realize the value of learning to express one's self both in conversation and in writing; therefore, they spend much time and effort trying to improve us in this ability. Also in English classes we broaden our horizons by reading widely in the classics and contemporary literature.

ELEANOR HAMBLIN
English . . . Ball State Teachers College,
B.S. . . . Ninth Grade Class Sponsor.

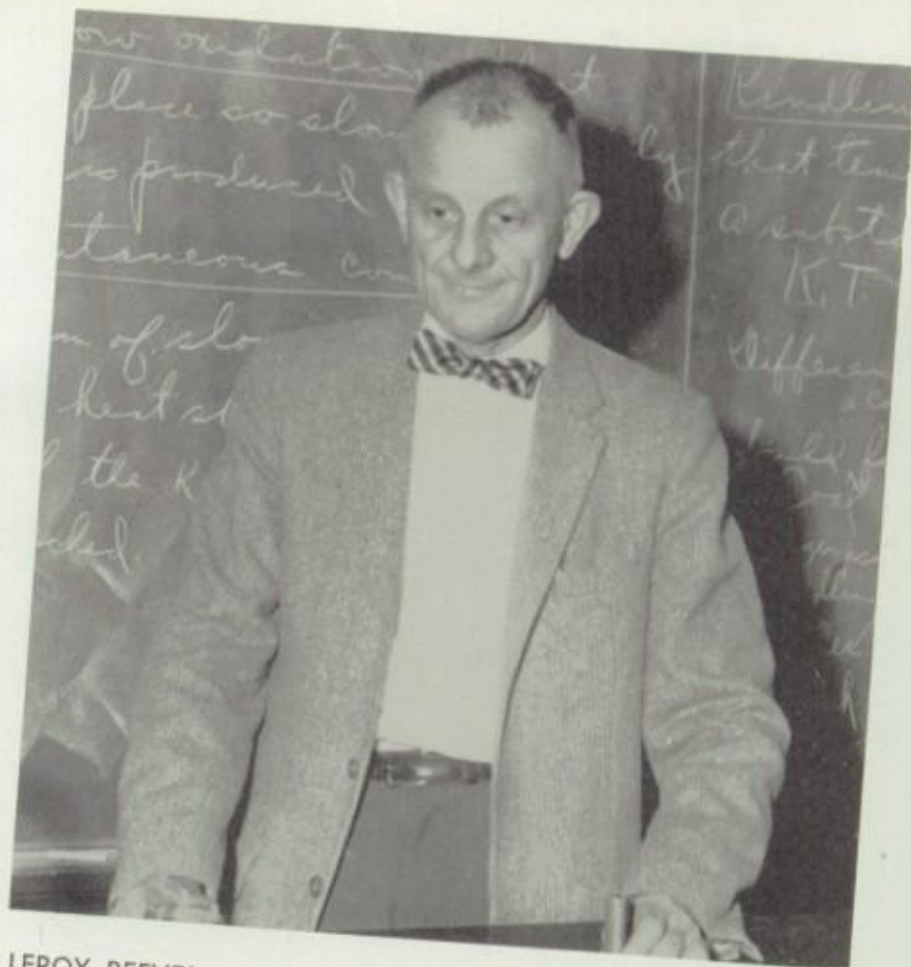

RUTH LUCAS
English . . . Indiana University, B.S. . . .
Sophomore Class Sponsor.

LUCY KLEINDORFER
English . . . Wisconsin University, M.A.
. . . Ninth Grade Class Sponsor.

PAUL HARRINGTON
Physics, Agriculture . . . Purdue University, B.S. . . . F.F.A.,
Sophomore Class Sponsor.

LEROY REEVES
Chemistry, History, Physical Science, Family Living . . . Ball
State Teachers College, B.S. . . . Junior Class Sponsor.

OUR SCIENCE TEACHERS . . .

. . . have taught us about our own world—its composition, life, and properties—and we have learned a new awe for nature. From scientists of the past have come principles which we can apply in the ever new discoveries of science in an era when science is so important. Our teachers have given us a head start in this work which we may continue in college or apply in everyday happenings.

FLOYD BAKER
Biology . . . Wisconsin State College, B.S. . . . Senior Class
Sponsor.

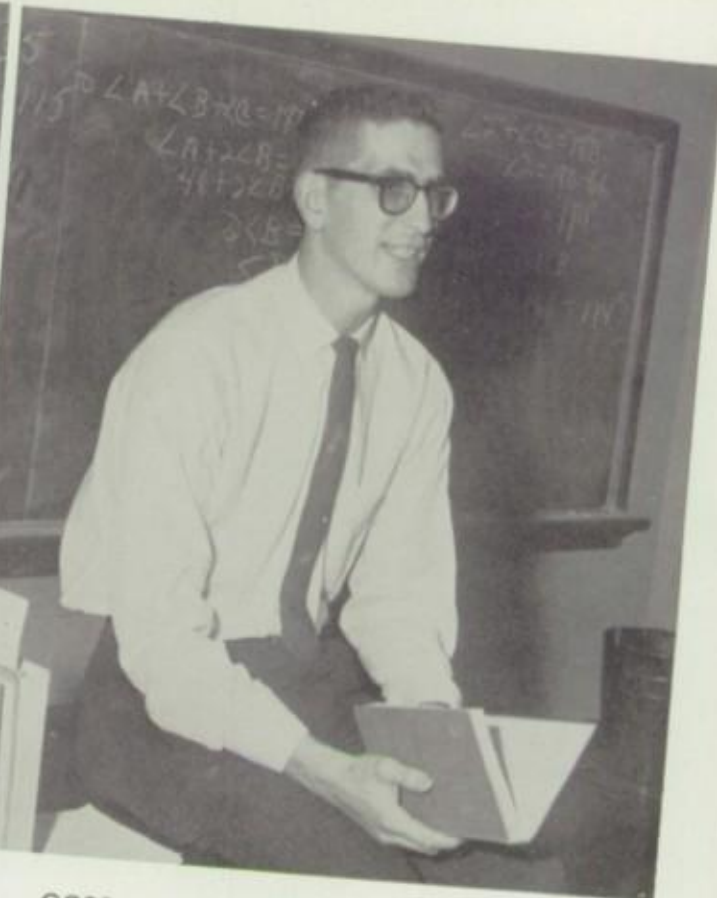

MARTIN PILLERS
Science, Health . . . Drake University, B.A. . . . Cross Country
Coach, Assistant Track Coach, Freshman Class Sponsor.

ROLLIN WHITING

FRANK YOUNG
Mathematics . . . Central Normal College, A.B. . . . Ninth Grade Class Sponsor, Junior High Track Coach.

GORDON FENTERS
Mathematics . . . Purdue University, M.S. . . . Sophomore Class Sponsor.

OUR MATHEMATIC TEACHERS

have given us useful knowledge of the numbers in our lives. Throughout our lives we will never be without a use for mathematics. Simple grocery bills or costly bridges all need arithmetic. Higher mathematics also helps us use our minds more efficiently as we solve problems by deductive reasoning.

OUR SOCIAL STUDIES TEACHERS

give us a new pride in our heritage. As we study the history of our country and as we learn the past of the world, we find the reasons for many of our present world situations. In current events and geography our neighbors from around the world are brought closer, and we become aware of the part we play in world affairs.

ROBERT BEESON
History, Physical Education . . . Ball State Teachers College, B.S. . . . Sophomore Class Sponsor . . . Head Basketball Coach, Assistant Varsity Football Coach, Junior High Football Coach.

LETHIA NEWMAN
Social Studies . . . Indiana State Teachers College, B.S. . . . Eighth Grade Class Sponsor.

MARK SIMMONS
Government, Economics, History . . . Indiana University, M.A. . . . Senior Class Sponsor.

BARBARA VAN DINE
Commerce . . . Ball State Teachers College, B.S. . . .
Smoke Signal Sponsor, Senior Class Sponsor.

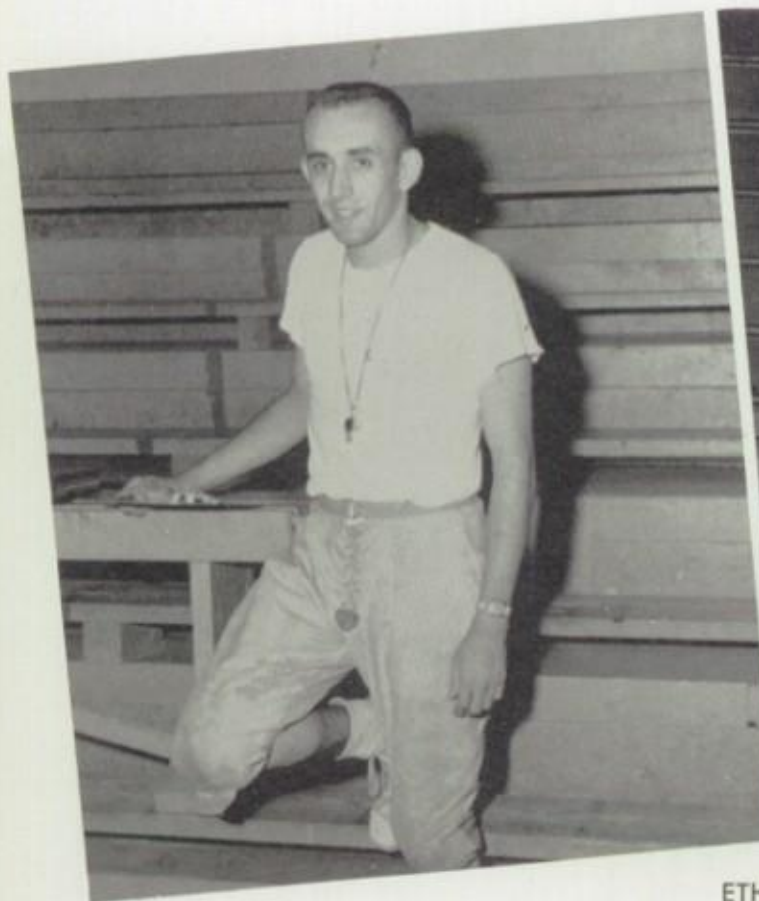

NORMAN McCURDY
Business Education . . . Ball State Teachers College,
B.S. . . . Seventh Grade Class Sponsor.

OUR COMMERCIAL TEACHERS

are always busy preparing us for the future years after we graduate. Typing, bookkeeping, and shorthand will all have a dollars-and-cents value as we take jobs as secretaries, stenographers, or accountants. In everyday affairs a knowledge of good business practices will always serve in good stead.

OUR PHYSICAL EDUCATION AND HEALTH TEACHERS

have pushed us on the road to good health and physical fitness. Health education has laid the groundwork for good health habits that will help us live fuller lives undimmed by poor health. The games we learned in gym have taught us the value of teamwork and sportsmanship.

DEAN MILLER
Physical Education, Health . . . Wheaton College, B.S. . . . Eighth Grade Class Sponsor.

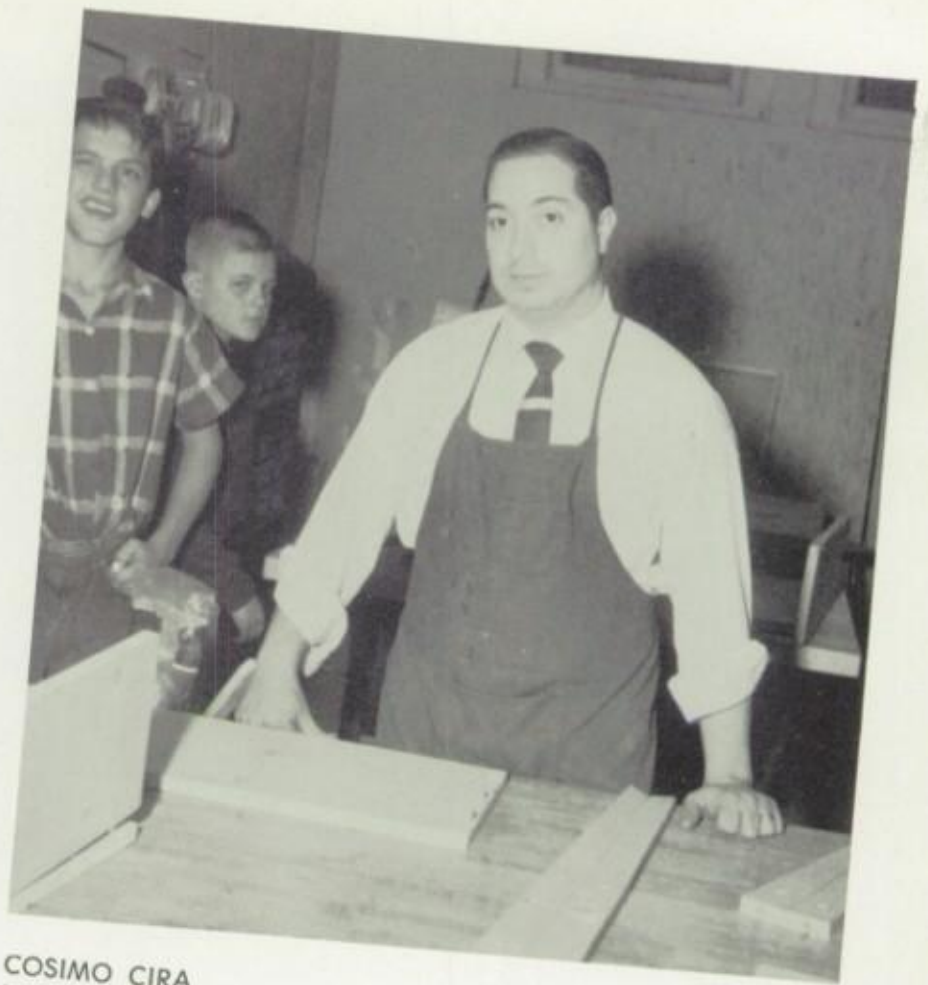

ETHEL HARRINGTON
Physical Education, Health . . . Purdue University, B.S. . . . Seventh Grade Class Sponsor, Sponsor of G.A.A. Juniors.

DALE SNELLING
Physical Education, Driver Education . . . Purdue University, B.S. . . . Head Football Coach, Head Track Coach, Jr. High Basketball Coach, Junior Class Sponsor.

HERBERT RINEHART
Industrial Arts . . . Ball State Teachers College, B.S. . . .
"B" Team Basketball Coach, Freshman Basketball Coach, As-
sistant Football Coach, Junior Class Sponsor.

COSIMO CIRA
Industrial Arts . . . Indiana State Teachers College, M.S. . . .
Student Patrol, Eighth Grade Class Sponsor.

OUR HOME ECONOMICS AND INDUSTRIAL ARTS TEACHERS

teach us to combine manual skills with brain power. As we cook, sew, plane, or hammer, we are learning skills that will help in our future lives. Girls adept in homemaking find running a home simpler, and boys proficient in carpentry are always in demand. In this do-it-yourself era the one who wield a needle or hammer always comes out ahead.

ELEANOR MILNER
Home Economics . . . Purdue University, B.S. . . . F.H.A. Spon-
sor, Junior Class Sponsor.

JANE BEESON
Home Economics . . . Purdue University, B.S. . . . Seventh
Grade Sponsor.

MARJORIE CURNUTT
Librarian . . . Manchester College, B.S. . . . Li-
brary Club Sponsor.

FAYE UTTERBACK
Art . . . Central Normal, B.S.

OUR TEACHERS OF THE ARTS

have shown us that our lives would be empty without music, art, and books. These teachers have given us all an appreciation of the beauty of art, the friendships in books, and the delights of music. As we gain stronger footholds in the world of art, we find an outlet for hobbies and lifetime occupations.

MERRILL VAN CLEAVE
High School Chorus, Assistant Band Instructor
. . . Indiana State Teachers College, B.S.

ALICE MOOI
Elementary and Junior High Chorus . . .

felt our prides being rapidly deflated as we entered high school as lowly underclassmen. It was quite a blow after being the "big wheels" of the junior high. The events of the year that we enjoyed most were the preparation of the float, our class parties, and adding to our treasury by our money-making project. We are looking forward confidently to our Junior year.

WE JUNIORS . . .

. . . have really enjoyed being upper-classmen this year. What a wonderful feeling it is to know we will soon be the real "big shots" of the school! How thrilled we were when we started wearing our class rings! (Of course some of us didn't keep them long.)

Our class has sponsored a bake sale and a Valentine's dance this year. We have had many of our members active in sports, music, F.F.A., F.H.A., and the other extracurricular activities. We are looking forward to the biggest event of the year—our Prom.

BACK ROW: Marvin Taylor, President; Robert Fletcher, Student Council; Thad Pryce, Vice-President. FIRST ROW: Linda Locke, Secretary; Sharon Fout, Student Council; Donna Juracka, Treasurer

OUR CLASS OFFICERS

STANDING: Carol Pawlik, Student Council; Thelma Pitts, Treasurer; Chari Sellers, Secretary. KNEELING: Oris Fine, Vice-President; Ronnie Mlekodaj, President; Lloyd Lenig, Student Council.

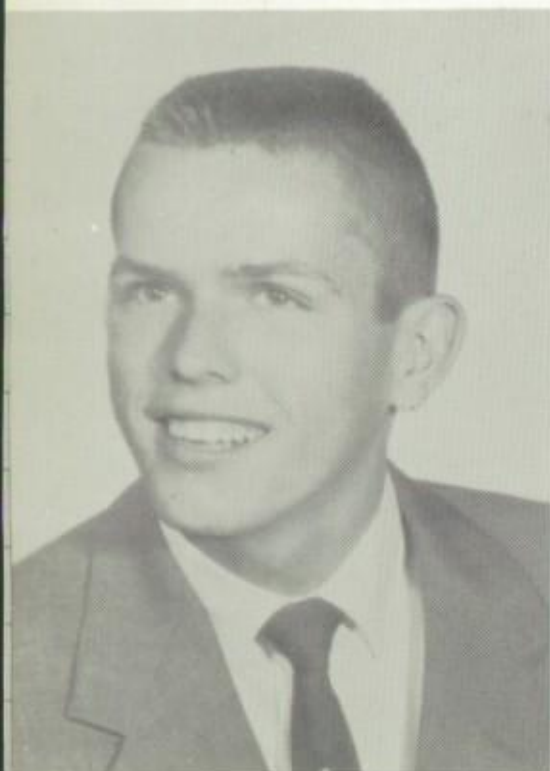

WE SENIORS

... were elated now that we had become "top brass" because it only seemed like yesterday that we had entered as frightened Sophomores. As highlights of our Senior year we remember receiving our Senior pictures, choosing class notables, picking out name cards and invitations, measuring for caps and gowns, and especially attending Baccalaureate and Commencement exercises.

We were very proud of all our Senior members: those who were on the honor roll, especially our valedictorian, Sue Solliday, and salutatorian, Lela Caudill; all our boys who took part in football, especially Norm Berning who placed on the all state conference team; all the boys who helped give us a winning basketball team; all the boys who took part in other sports; all the students who placed in choral and band contests; the FFA boys who placed in contests; and Mary Folkers who was chosen as Homecoming Queen and was our D.A.R. winner. How proud we will be (perhaps a little sad, too) soon to be called alumni of dear old KHS!

MICHAEL D. ZINGARELLI JR.

Safety Patrol 1

We are proud to have presented the formal pictures of our classmates. Now let us go on and see informal shots of us Seniors at work and at play.

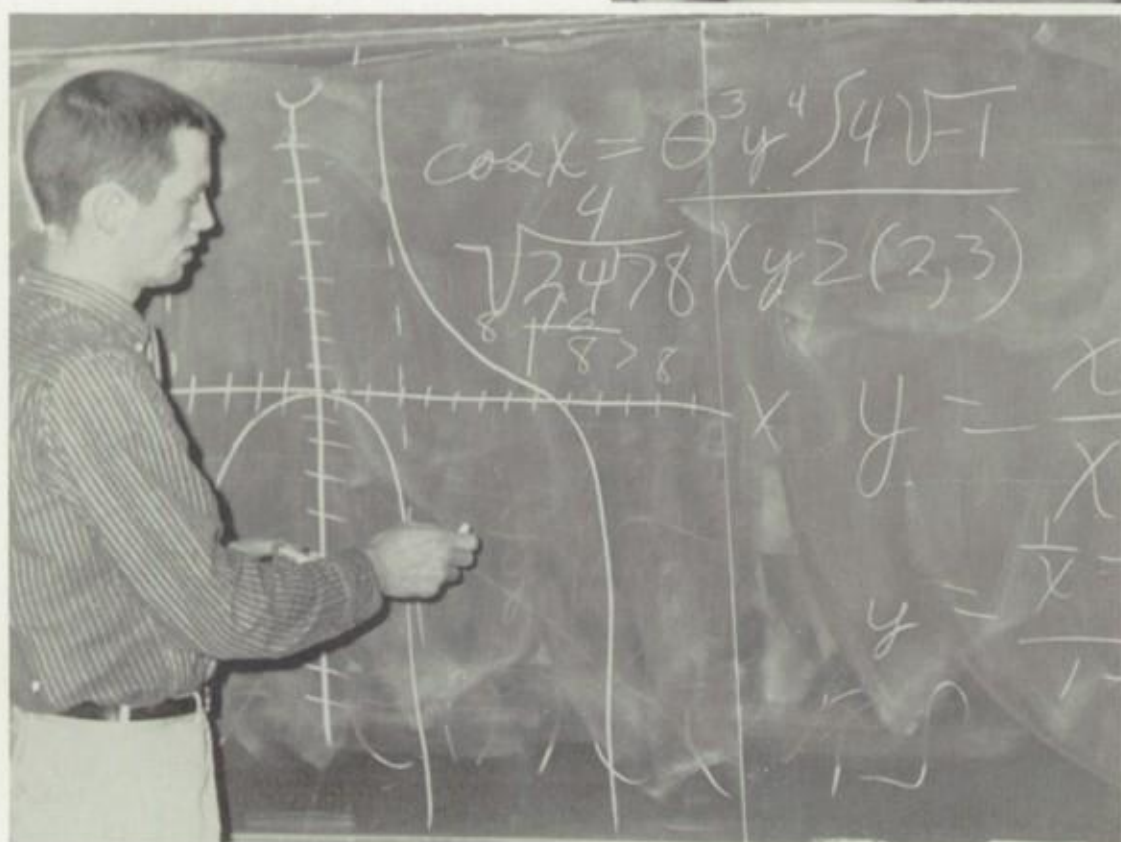

Below: Roger is showing how he solved this advanced mathematics problem to the Senior math class.

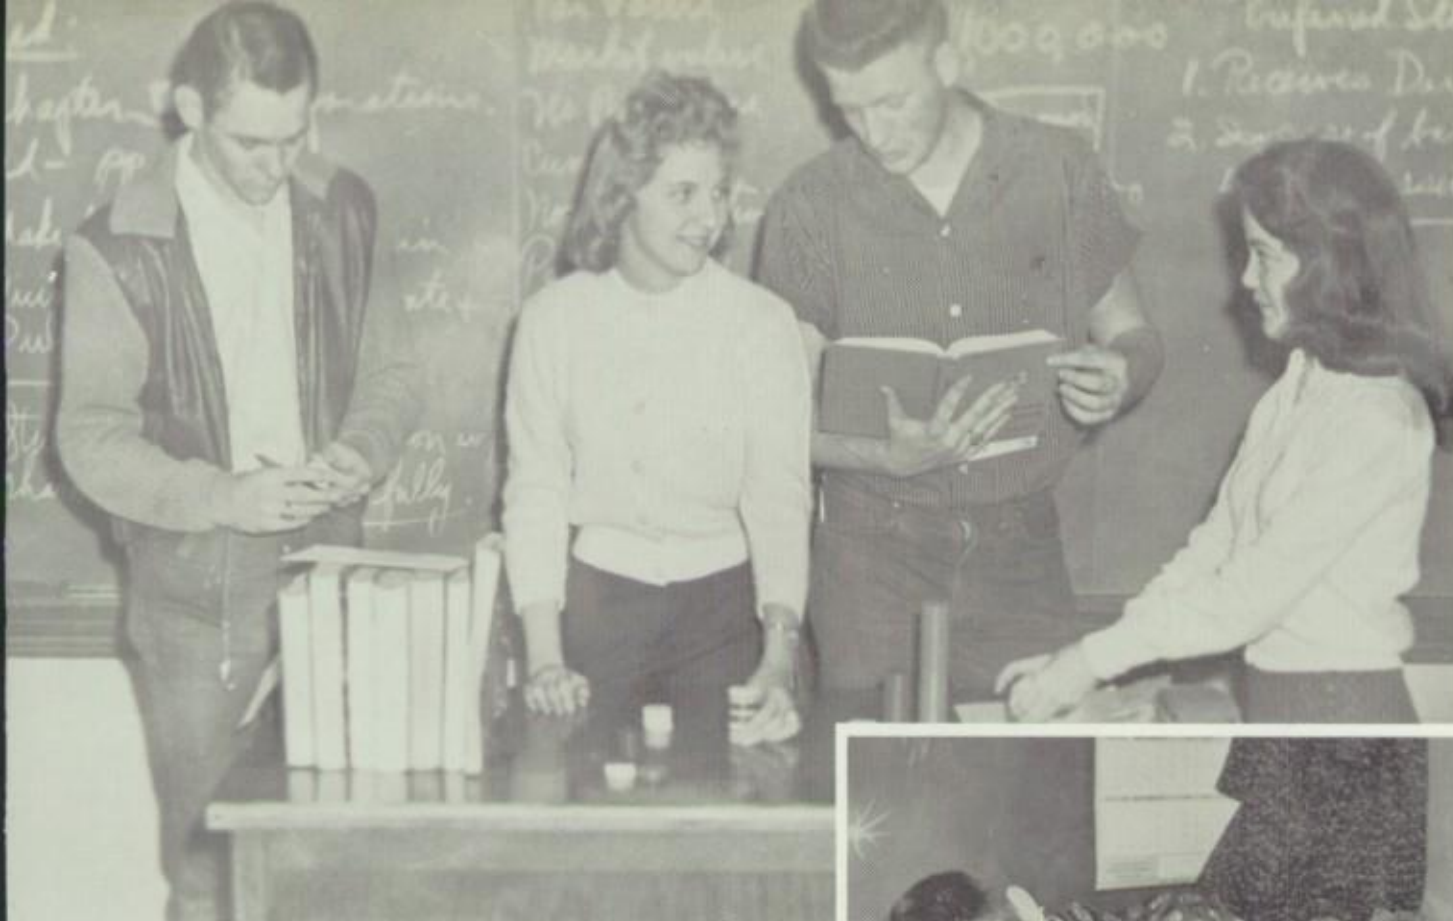

Oh, oh! Mrs. Hite must be in a bad mood again. Senior English class, here come those (ugh) delightful test booklets!

WE SENIORS

Below: Mr. Harrington, with the help of Roger and Kermit, demonstrates how to set up an experiment on "forces" while the rest of the physics class looks on.

Economics is the science of American economy. Rodney reads off percentages while Cressia and Sandra set up the present national budget, which is represented by the largest pile of chips. The smaller piles are the percentages. Earl keeps tab of amounts as he holds.

WORK AND WORK

Below: A panel discussion on the subject of dating is being conducted in the family living class.

Speech class takes into consideration that 1960 is a leap year!

WE SENIORS PLAY

Who needs Elvis when you've got us?

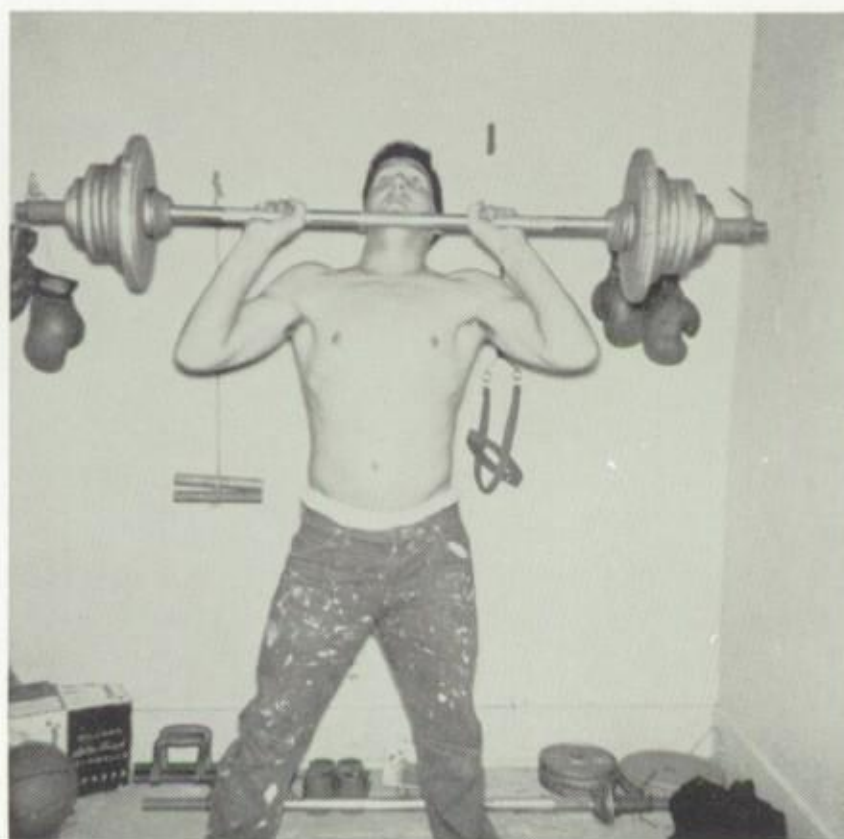

Go down to that new super market, will you?

You're my idol, Don . . .

. . . I'm a ladies' man no more

Now how do I get it down?

I don't care who you are, fat man, get your reindeer off my roof!!!!

Away from the cares of the city

I'm late, but I got here

AND PLAY

All set for the big dance?

Anyone for a snowball fight?

Come on in. There's lots more like us inside.

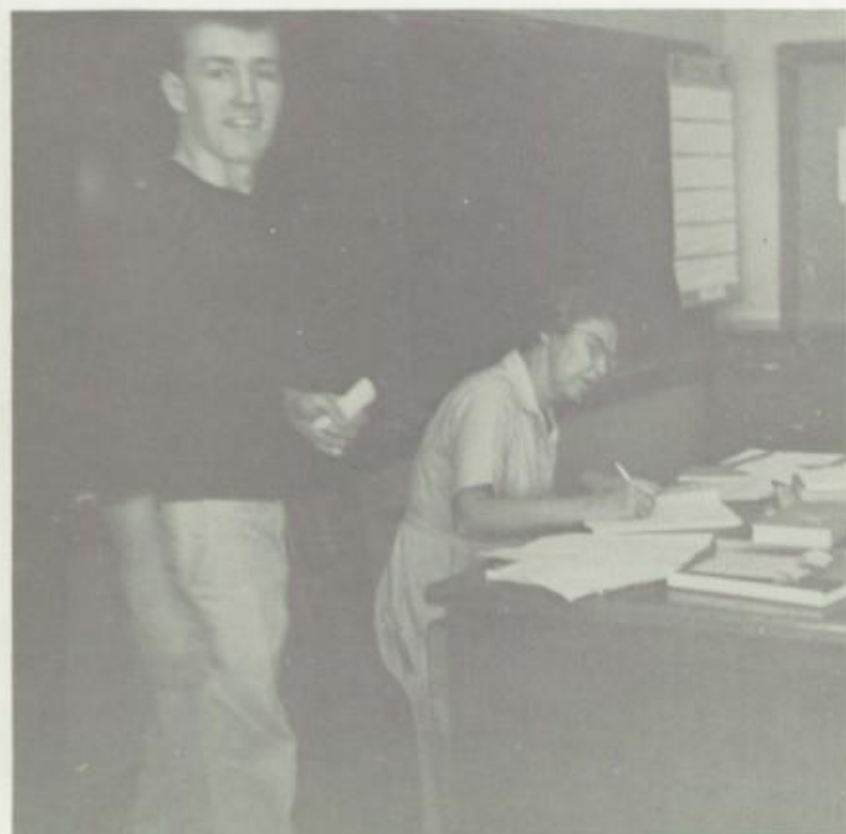

Well, la-de-da to you too!

When I say move, move!

Who needs masks!

Well, we're not worried about the state of American schools!

I think, with a little persuasion, she'll make it an "A."

... the thrill at OUR prom ...

... and the fun after.

WE SENIORS WILL NEVER FORGET . . .

... the fun we had at lunch—"Toast, anybody?"

... doing homework at noon—Literature test, five minutes away!

... the excitement of our ball games
(we must have won this one!)

... presenting our first
play—"... and I can truly
say ..."

... the last football banquet.

WE SENIORS WIN HONOR

GIRLS' AND BOYS' STATE REPRESENTATIVES

David Hart, Suellyn Solliday, and Norm
Berning

ANNUAL KING AND QUEEN

Genie Steele and Bob Morehouse won this honor by selling the
most ads.

D.A.R. AWARD WINNER—Mary Folkers

... WE SENIORS BECOME NOTABLES

Becoming a Senior Notable usually involves a lot of fun and fame. We Senior Notables are proud to be recognized by our classmates as having certain characteristics.

Foremost among our Senior Notables are the Seniors who have excelled in scholastic ability during high school, and they not only study but also participate in many activities and have several responsibilities. Among our "top-twelve" there are the editors of the yearbook and the newspaper, a varsity cheerleader, three class presidents from our Freshman, Sophomore, and Junior years, our Prom queen and an attendant, our Homecoming queen and an attendant, President of the band, the D.A.R. Award winner, President of Cheerblock, and a varsity basketball and football player. Several were also active in cheerblock, F.H.A., student council, of-and annual. All these prove that we aren't "book-worms" all the time.

The heart of our town is in its business district. It determines the actual life of our town and whether it will be an economic success or failure.

This applies also to our yearbook. The business district of our town supplies the lifeblood for our yearbook. Without the manufacturers, doctors, salesmen, servicemen, dentists, and many, many others our yearbook would not have been possible. To them we owe our thanks, and we show our thanks when . . .

BURGER'S DAIRY

The 1960 SANDBUR staff wishes to express their appreciation to all the advertisers and patrons who have helped to make this year's SANDBUR possible.

We also express our appreciation to the students and faculty without whose cooperation the SANDBUR could not have been published.

THANK YOU!
